COMPLETION of Panama Railroad.—Reduction of fare to California.—United States mail steamblips loave New York for Aspinwall on the 5th and 20th of each month, connecting with mail steamors from Panama to San Francisco.

Those steamblips have been inspected and approved by the Navy Department, and guaranty speed and sofety.

The Panama railroad 424 miles long is now completed from ocean to ocean, and is crossed in 3 or 4 hours. The baggage of passengers are embarked at Panama by steamor at the company's expense. The memory paid in New York covers all expenses of the trip. Reserve steamors are kept in port in New York, Panama, and San Francisco, to prevent detention in case of accident, so that the route is cutively reliable.

Passengers leave Panama the same day they arrive at Aspinwall. Conductors go through by each steamor, and take charge of women and children without other protectors.

THE undersigned is now prepared to furnish the above mentioned and all articles pertaining to the agricultural kusiness at the lowest market rates; having just returned from a tour through the northern and New England States, where he has visited a large number of the principal agricultural munifacturing establishments, from which he has taken great pains in selecting a choice assortment of implements and machinery of all descriptions. He has also made arrangements to be at all times in receipt of any important improvements that may take place in the agricultural line. Another very important feature in this new establishment is, that the proprietor is a practical agricultural machinist, with an experience of twelve years. He has thereby acquired a thorough knowledge of this business in all its various branches. He therefore feels justified in saying that he can obtain said furnish all articles in his line on as reasonable terms as any house in this country.

Machinery of all descriptions repaired at the shortest notice and on the most reasonable terms.

With the above experience and facilities for conducting this business, (which is all important), he respectfully solicits the patronage of the farming community and public generally. It shall always be his object to please.

Yours, very respectfully.
